## *Friends of the ministry.*

God never ceases to amaze me. Just over 1 year after I started Another Well Ministries, I don't think I could ever have imagined where we are today. It all started as a website, where I simply shared a devotional or an encouraging photo. God continued to bless and what an amazing year!

In 2022, we received our IRS 501(c)3 designation. We established our Board of Directors and set out to follow what God has placed in our hearts to do through this ministry. We continue to share uplifting, encouraging, and challenging devotionals, Bible studies, encouraging photos, and so much more.

We continue to maintain a completely volunteer ministry. From our Board of Directors to our grassroots volunteers that help share our message, God has blessed us with people who share a common vision and passion for our ministry.

In 2023, we will continue to focus on our core mission through the support of our generous donors. We are committed to maintaining full transparency as God continues to bless the ministry and open doors. We are praying that God open the door for new devotionals, enable us to expand our Bible studies, and allow us to share the Gospel and lead others to Jesus.

Thank you for joining us on this journey. I cannot thank you enough for your prayers, support, and your generosity. God is changing lives through your support of this ministry, not only in the United States, but around the world!

In Christ,  
Jared Dyson
