Friends of the ministry.

In 2023, God continued to bless this ministry, and none of that could have been accomplished without you.

In 2023, we saw more people accept Jesus as Savior than in years past. We have heard stories of encouragement, strength, and finding a deeper relationship with God. Which is exactly what this ministry is all about!

The world around us is not going to get any easier. We anticipate that 2024 will continue to have challenges that we all experience. But we can take comfort in knowing that our God is able to take care of anything we face. Best of all, we can use these opportunities to share the story of God's love and God's grace with all those in need.

In 2024, I am excited to see the start of our new outreach dog therapy ministry. Through this ministry, we hope to not only share some much needed comfort for the hurting, but also utilize this as a means to share the gospel and encouragement only God can provide. Our prayer is that God continues to lead us in this ministry and provide opportunity and growth as He desires. We continue to pray for more volunteers, to help us share our message, create content, and fulfill many of other important roles of the ministry. Through your continued support, we will continue to expand our reach, helping others find hope and comfort in God.

Thank you for joining us on this journey. Without your prayers and financial support, we would not be reaching all those we are today. Thank you for allowing God to use you, and for being part of a life changing experience for those who need it most around the world.

In Christ,
Jared Dyson
